## About Us

Since the days of Figure, the Morgan has been admired and sought after for its versatility, beauty, stamina and intelligence. If you thought you couldn't have a Morgan and the smooth ride of a gaited horse, we have great news! The Gaited Morgan Horse Organization dba the Morgan Single-Footing Horse Association since 1996. GMHO is a registered Not for Profit organization and a recognized service organization of the American Morgan Horse Association (AMHA). GMHO takes the position of promoting all Morgan types and discipline. Particular emphasis and promotion is placed on the inherent four beat gaits found within the present registry of the Morgan breed. We are committed to research, education and promotion of these Morgan horses due to their outstanding athletic abilities. You, too, can be a part of something special!
